

United Wound Healing

Team-Centered Wound Care.™

Wound Care Provider *Nurse Practitioner/Physician Assistant*

Our mission to change wound care and improve the lives of others isn't easy, but it's worth it! One in ten residents in a skilled nursing facility will develop a skin condition requiring expert medical care. We believe that every person deserves the very best wound care. Building and leading wound care teams is how we do it! Our wound care providers bring education and encouragement to the people who take care of our patients 24/7. When they get better at their jobs, our patient's wounds heal faster and that is our goal!

Title: Wound Care Provider, Nurse Practitioner (NP, FNP, ARNP, APRN) and Physician Assistants (PA-C)

Department: Skilled Nursing Wound Care

Compensation Range: Market competitive salary - DOQ

Continuing Medical Education: Up to \$2,000.00 annually; Mileage reimbursement

This position is classified as: Salary, Exempt; Full-Time and Part-Time opportunities

Schedule: Typical hours: Monday – Friday; varied hours between 6:00am – 3:00pm, no nights, weekends, or call

Main Responsibilities (may include but are not limited to):

- Lead and develop collaborative multidisciplinary wound care teams in 3-4 locations daily
- Travel to scheduled locations weekly for wound rounds at various facilities in an assigned region
- Provide the highest quality wound care services to patients in partner facilities
- Order, interpret, and evaluate laboratory and diagnostic studies to assess change to patients' health care needs
- Perform bedside wound care skills including: wound assessment, dressing application, pressure relief, pain/odor control, and minor surgical procedures
- Track the progress of wound healing and document timely in UWH's own wound care EMR
- Develop a treatment plan for wound care based on the individual needs of each patient
- Collaborate virtually with our medical leadership including board certified physicians and surgeons specializing in wound care, dermatology, and infectious disease
- Other duties as assigned

Minimum Requirements:

- Reliable transportation; Valid driver's license; Current proof of auto insurance
- Clean driving record – must be able to provide 5 year driving abstract (MVR)
- Master's Degree – Board Certified Nurse Practitioner (NP, FNP, ARNP, APRN) licensed in working state
- Active Drug Enforcement Agency (DEA) license
- Knowledge of applicable federal, state and local laws and regulations including the requirements of the HIPAA and OSHA regulations pertinent to medical practices
- 1-2 years of wound care and/or surgical experience (highly preferred, but not required); extensive training available
- Working experience with EMR and Microsoft Office products: Word, Outlook, Excel (intermediate knowledge)
- Must be punctual, dependable, and able to work/schedule appointments independently
- Must be trustworthy, honest and have a positive and professional attitude
- Ability to respond appropriately to constant change in priorities and services
- Must have strong interpersonal skills and the ability to communicate effectively with a variety of people through both verbal and written communication lines

Physical Requirements:

This fast-paced position requires standing for extended amounts of time. You can expect some lifting (up to 30lbs), stooping, squatting, bending, pulling, pushing, and reaching throughout 50%+ of the shift while fulfilling job requirements.

We are a drug-free workplace. All offers of employment are contingent upon a successful drug screen and criminal background check. EEO.
